

Nice to meet you.

FMAV: Your AV partner at the Calgary TELUS Convention Centre

We are the audiovisual and event technology partner for meeting and live event planners.

They trust us because we expertly understand the importance of what they've been tasked with:

To create a connection.

FMAV is not like other audiovisual companies who only rent the equipment. We work with meeting and event planners to help them connect with their audiences. We do this in three ways:

1. Understanding the unique goals and requirements of each event
2. Providing audiovisual expertise and event technology integration to create and optimize the connection
3. Executing flawlessly

Use FMAV to make your next meeting or special event a success.

- Conferences
- Galas, Awards and recognition events
- Social events
- Trade shows
- Meetings
