

## **Calgary TELUS Convention Centre announces partnership with Superior Show Service**

**(Calgary, AB) – March 4, 2019** Calgary TELUS Convention Centre (CTCC) is pleased to announce Superior Show Service (SSS) as their in-house partner for show services and exclusive material handling provider.

“We are excited to announce our new relationship with Superior Show Service as we continue to build on our success,” said Clark Grue, President and CEO of CTCC. “Superior Show Service shares our commitment to delivering professional and customized events and together, we look forward to serving our clients better.”

CTCC facilitates and host events that connect people. A venue committed to exceptional service, clients choose CTCC because they help people converse, learn, grow, celebrate, discover, share and experience what’s important to them.

SSS are event specialists with over 30 years of experience offering customized solutions for conferences and tradeshows. At SSS, customer service is the number one priority. They value the relationships that they have built over the years with organizers, facilities, exhibitors, and other suppliers within the industry.

“We are very excited to be the new official show services partner at the Calgary TELUS Convention Centre.” said Chris Sisson, Owner & President of SSS. We hope that the diversity of our team, and their comprehensive knowledge of the event industry helps in attracting new events as well as elevates the experience to everyone.”

SSS will provide show services and material handling for events happening at the center over a five-year contract and will use their expertise and customized approach to deliver world class services.

### **About CTCC**

The Calgary TELUS Convention Centre is focused on enhancing the services that we provide well beyond the venue—to create a place and experience that supports all events for people to convene, connect and converse together. What started as a central location for coming together has grown into a next generation of convention services and experiences.

### **About SSS**

Specializing in Superior events- from trade shows and conferences to music festivals and sporting events. Superior Show Service has over 30 years’ experience and multiple locations to provide customized full-service professional event contracting throughout Alberta.
