Superior Show Service is pleased to be the in-house partner for show services and exclusive materials handling partner at Calgary TELUS Convention Centre (CTCC). Our goal is that your event runs smoothly from signing until completion.

Superior Show Service has over 30 years of experience offering customized solutions for conferences and tradeshow. Customer service is our number one priority. With an office onsite and a full-time staff based out of the CTCC, Superior Show Service we can help you create a premier event. From booths to carpeting, stages and graphic displays to logistics, we are a full-service contractor with the expertise and experience to best spotlight your event.

Once you sign your agreement with the CTCC, Superior Show Service will start working with you. Your account manager will work with you on all the details required for an event such as confirming event dates, drape and carpet colours, dates for setup and dismantle and any other event management requirements. They will also connect you with our Graphic Designer for signage and floorplan designs. Our onsite logistics specialist will work with you and your exhibitors on shipping and customs needs. We continue this close working relationship before, during and after the event.
